_____ Business/Organization/Corporation \$300.00

The **ILI Global Business Round Table** has worked with the Southern Development Community (SADC) to bring trade conferences to Minnesota in 1998 and 2000. This committee has participated in non-governmental advisory activities for the African Growth and Opportunity Act. Other ILI programs include international visitors exchange programs, international nurses training program, and a historical Sister City Program partnership between Minneapolis and Eldoret Kenya. Monthly meetings with business leaders provide a unique opportunity to obtain strategic business information on a local and international level. The Global Business Round Table participates in international business development, to support micro businesses and growth for indigenous women's groups and bring unique strategies to local businesses in Minnesota. The group also has access to the ILI's Resource Center at 430 Oak Grove, Suite 220 for focus meetings.

The Institute is a qualified 501 c3 non-profit charitable organization in Minnesota. Membership donations are used to fund ILI programs and projects. Member volunteers staff the ILI.

MAIL Form to:

International Leadership Institute
5021 Vernon Ave. So., PMB 136
Minneapolis, MN 55436
